

NSW/ACT YWP Mentoring Program 2021 and Launch Event

*Please join us at the Launch Event as we kick-off the **2021 YWP Mentoring Program**. We'll help you understand how to navigate a meaningful mentor/mentee relationship and get the most from the experience. Throughout the 8-month program, various development topics will be covered including goals setting, work-life balance, communicating and networking.*

YWP Mentoring Program

The NSW/ACT YWP Mentoring Program pairs students, young professionals and industry representatives across the Metropolitan and Regional areas for a structured 8-month program.

The program fosters skill enhancement, while providing a means to transfer valuable experience and expertise.

Mentors and mentees alike can benefit from the committed two-way partnership.

By registering for the program you will be partnered with a mentor or mentee, receive a mentoring handbook, a monthly email with discussion topics, tips and webinars, and access to the launch and closing events.

A link to a questionnaire has been included below to help us with the match making process.

Registration is **\$45 for mentees and free for mentors**. Registrations closing Thursday 14th October.

Launch Event – 21st October

Day	Thurs 21 st October, 2021
Time	4pm – 5.30pm
Venue	Online Webinar (Zoom)
Speaker	Dr Brian McIntosh

This year's Launch Event will look a bit different and will be hosted online via webinar.

We will hear from **Dr Brian McIntosh**, from the International Water Centre, who will facilitate the session and share his experience in mentoring.

The Launch Event will provide you with some insight on why mentoring is important, the roles of the mentee and mentor, some tips and tricks to make the most of the program and key focus areas for this year's program.
